

Guelph ShareClub

The December meeting of the Guelph ShareClub was addressed by Bob Gibb ('Opera Bob'), contact person for the Victoria B. C. ShareClub and host of the Canadian Drip Boards at the Drip Investing Resource Center (<http://dripinvesting.org>), who spoke on the advantages of DRIP investing. This meeting also marked the first potluck meeting of the group. The Guelph ShareClub, now in its 14th year, is closing in on 90 members but still has room for more. See the ShareClub page in the most recent MoneySaver for contact information.
